

Winter Reunion 2012

Signal Communities... Live Christ's Mission

Join Apostles Stassi Cramm and Scott Murphy, President of the Council of Twelve Apostles, at the Arizona Winter Reunion, February 19-24, 2012, at Phoenix Central congregation.

The focus for 2012, Signal Communities... Live Christ's Mission, examines what it means to go deeper in our understanding and our call as disciples to collectively create Signal Communities.

Through the foundational scripture texts (Romans 12, Doctrine and Covenants 163:5, and Doctrine and Covenants 164:9), we will explore how Signal Communities reflect Christ's peace, embrace continuing revelation, make responsible choices, pursue peace, honor the sacredness of creation, and speak and live Christ's mission.
